#### 21 Related Party Transactions

The Raphael House Rudolf Steiner School Board of Trustees is a related party of the Rudolf Steiner School Trust (Wgtn) because the proprietor appoints representatives to the Board, giving the proprietor significant influence over the Board. Any services or contributions between the Board and Proprietor are disclosed with an indication of the amount where relevant.

The Proprietor provides land and buildings free of charge for use by the Board. The estimated value of this use during 2012 is included in the Income Statement as "Use of Land and Buildings".

The Proprietor collects voluntary financial contributions from the parent community, a significant amount of which is used to support Board activities. This service is provided free of charge.

Where any operational functions are shared between the School and the Proprietor (eg staff wages) costs are allocated between the two bodies on a useage basis, calculated on normal arms length principles.

## RUDOLF STEINER SCHOOL TRUST (Wellington) Notes to the Financial Statements for the Year Ended 31 December 2012

#### GENERAL ACCOUNTING POLICIES

The general accounting policies recognised as appropriate for the measurement and reporting of operating and financial position on an historical cost basis have been applied in the preparation of these financial statements. Accrual accounting has been used to match income with expenses.

#### DIFFERENTIAL REPORTING

The Trust qualifies for differential reporting exemptions because it is not publicly accountable as defined in the Framework for Differential Reporting (the Framework) and it is not large. Many of the reporting exemptions available under the Framework have been applied.

#### PARTICULAR ACCOUNTING POLICIES

The following particular accounting policies which materially affect the measurement of profit and the financial position have been applied:

#### Government grants

Operational grants are recorded as income as received. Other grants are recorded as income as received unless there are unfulfilled conditions attaching to the grant, in which case the amount relating to the unfulfilled conditions is recognised as a liability and released to income as the conditions are fulfilled.

#### **Donations**

Donations, gifts and bequests are recorded as income when their receipt is formally acknowledged by the

#### Interest income

Interest income on investments is recorded as income in the period it is earned.

#### Use of Land and Buildings Income

The property from which Raphael House Rudolf Steiner School operates is owned by the Trust. The income is based on an assumed market rental yield on the value of land and buildings as used for rating purposes. There is also an offsetting non-cash expense that equates to this non-cash income.

#### Accounts Receivable

'Accounts Receivable' represent items that the Trust has issued invoices for, but has not received payment for at year end. They are initially recorded at fair value and subsequently recorded at the amount the Trust realistically expects to receive. A provision for impairment of Accounts Receivable is established where there is objective evidence the Trust will not be able to collect all amounts due according to the original terms of the debt.

#### Investments

investments are recorded at the lower of cost or market value.

#### Loans

Loans are recognised at the amount borrowed. Loans are classified as current liabilities unless the Trust has an unconditional right to defer settlement of the liability for at least 12 months after balance date.

#### Accounts Payable

'Accounts Payable' represent liabilities for goods and services provided to the Trust prior to the end of the financial year which are unpaid. Accounts Payable are recorded at the amount of cash required to settle those liabilities. The amounts are unsecured and are usually paid within 30 days of recognition.

#### Fixed Asset Depreciation

Fixed Assets are recorded at cost less accumulated depreciation except for land which is recorded at government valuation.

Depreciation is being provided on a straight line basis over the expected life of the assets. The estimated useful lives are as follows:

Buildings	60 Years
Relocatables	40 Years
Land Improvements	10 Years
Other Assets	5 Years

#### Goods and Services Tax

These financial statements have been prepared on a GST exclusive basis and any tax due or owing at balance date is shown in the Statement of Financial Position. GST is accounted for on a payments basis.

#### Taxation

The Trust is a registered charity and as such is exempt from Income Tax.

#### **CHANGES IN ACCOUNTING POLICIES**

There have been no changes in accounting policies.

#### INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF RUDOLF STEINER SCHOOL TRUST (WELLINGTON).

#### Report on the Financial Statements

We have audited the financial statements of Rudolf Steiner School Trust (Wellington) on pages 3 to 14, which comprise the statement of financial position as at 31 December 2012, and the statement of comprehensive income, and the statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Trustees Responsibility for the Financial Statements

The Trustees are responsible for the preparation and fair presentation of financial statements; in accordance with generally accepted accounting practice in New Zealand, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibilities

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing and International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates, as well as the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor, and as auditors of Raphael House Rudolf Steiner School (as agents for the Office of the Auditor General), we have no relationship with or interests in Rudolf Steiner School Trust (Wellington).

#### Opinion

In our opinion, the financial statements on pages 3 to 14 present fairly, in all material respects, the financial position of Rudolf Steiner School Trust (Wellington) as at 31 December 2012, and its financial performance for the year ended on that date in accordance with generally accepted accounting practice in New Zealand.
